community or public service translation contributes to a more equitable and sustainable community by empowering minority groups such as migrants and refugees and is a growing area for both teaching and research within translation studies written by a leading authority with over 20 years of teaching experience and in consultation with a range of academics running major courses across the globe this is the first accessible and interactive introductory textbook to this growing area it provides step by step guidance to students undertaking an undergraduate or postgraduate course covering community translation public service translation translation as social action or translation as a social service in multilingual and multicultural societies the book covers key issues in this area of translation practice including its distinctive features challenges and requirements role and ethical issues common text types translation strategies translation revision and quality assurance and relationships with end users including examples of a range of different text types suggested activities and readings at the end of each chapter and additional resources and activities on the routledge translation studies portal this is the essential introduction for all students of community and public service translation

in how the words mattered translations of the jewish marriage contract in america and england benjamin steiner discusses the ketubah the jewish marriage contract which has been an object of scholarly study principally as a facet of jewish theology and law until now steiner however focuses on the translation of the ketubah into the modern vernacular english language an aspect of the tradition which has been almost completely ignored english translations of the ketubah dramatically illuminate the experiences of american and british jews over a period of more than 200 years including the relation of the law of the land

to religious law the evolving status of women within and outside judaism and the desire of jews in the united states and england to be both authentically jewish and fully acculturated all of this steiner argues manifests in the way the ketubah has been rendered into the english vernacular more broadly it explores the ketubah as a method by which jews facilitated larger goals and processes the traditional ketubah does represent the maintenance of rabbinic law in nations where religious affiliation was voluntary an objective in which early american synagogues were deeply vested alternately the ketubah became a convenient way for antebellum jews of all classes to ensure a married woman s economic security given secular laws that impeded her economic agency later on as non jews increasingly attended jewish nuptials a modified ketubah proudly read aloud became an agent of social accommodation on both sides of the atlantic and in the mid twentieth century the american conservative rabbinate marshaled the ketubah to fight a perceived crisis of the jewish family ketubah translation links these disparate aims together especially because the authorship of translations entails telling choices from which historians can glean insights into the past ketubah translation was a primarily local affair through the 1870s when american jewish life was predominately local as such the first three chapters of the book are organized around state specific foci new york in chapter one south carolina and georgia in chapter two and california in chapter three this discloses previously unexamined nuances in the way the ketubah was used in different parts of the country by contrast the chapters in the latter half of the book are national and international in scope as a ketubah translation from england came to dominate the american scene in the 1890s and even later as different movements in american judaism consolidated evolving the ketubah in new directions for their constituents jews reinvented the ketubah over and over as they transformed the text to suit social and economic contexts rarely have documents with so few words offered so much analytic potential and rarely have documents with so much analytic potential elicited as few words of scholarship as english translated ketubot jews tailored ketubah translations to the cultural realities they encountered and steiner s manuscript sheds light on that process

written by translation practitioners teachers and researchers this edited volume is a much needed contribution to the under researched area of community translation its chapters outline the specific nature and challenges of community translation e g language policies language variation within target communities literacy levels quality standards training and the relationship between community translation as a professional practice and volunteer or crowd sourced translation a number of chapters also provide insights into the situation of community translation and initiatives taking place in different countries e g australia south africa spain the usa or the uk the book is of interest to translation practitioners researchers and trainers particularly those working or interested in the specific field of community translation as well as to translation students on undergraduate postgraduate or further education courses covering translation in general or community translation in particular

around the world discriminatory legislation prevents women from accessing their human rights it can affect almost every aspect of a woman s life including the right to choose a partner inherit property hold a job and obtain child custody often referred to as family law these laws have contributed to discrimination and to the justification of gender based violence globally this book demonstrates how women across the world are contributing to legal reform helping to shape non discriminatory policies and to counter current legal and social justifications for gender based violence the book takes case studies from brazil india iran lebanon nigeria palestine senegal and turkey using them to demonstrate in each case

the varied history of family law and the wide variety of issues impacting women's equality in legislation interviews with prominent women's rights activists in three additional countries are also included giving personal accounts of the successes and failures of past reform efforts overall the book provides a complex global picture of current trends and strategies in the fight for a more egalitarian society these findings come at a critical moment for change across the globe family law issues are contentious we are simultaneously witnessing an increased demand for women's equality and the resurgence of fundamentalist forces that impede reform invoking rules rooted in tradition culture and interpretations of religious texts the outcome of these disputes has enormous ramifications for women's roles in the family and society this book tackles these complexities head on and will interest activists practitioners students and scholars working on women's rights and gender based violence

this book constitutes the refereed proceedings of the 6th international conference on electronic government held in september 2007 the 37 revised papers were selected from numerous submissions they cover research foundations frameworks and methods process design and interoperability electronic services policies and strategies assessment and evaluation participation and democracy and perspectives on e government

this is the complete step by step guide to every form and every document you need to apply for a spouse visa for japan applying for a certificate of eligibility and spouse visa for japan can seem intimidating after all if lawyers charge over 100 000 yen to file your application it can't be easy right not at all the application process is straightforward and you do not need a lawyer the reason most applicants struggle is that there has never been a set of thorough detailed instructions available in english until now this book describes every form and document you need for the application process it is designed to be your one stop resource you do not need to pay huge sums of cash to a lawyer you do not need to agonize over vague directions from the immigration bureau with this book in hand you can file your application yourself without fear of error travis senzaki is the creator of the 1 online resource for japan spouse visa applicants the transenz blog in this book he has taken the most popular post from that blog which has helped hundreds of applicants acquire their visas and expanded it with samples annotated forms and explanations designed to leave no detail behind
