this book is devoted to the study of the interplay between religious rules and state law it explores how state recognition of religious rules can affect the degree of legal diversity that is available to citizens and why such recognition sometime results in more individual and collective freedom and sometime in a threat to equality of citizens before the law the first part of the book contains a few contributions that place this discussion within the wider debate on legal pluralism while state law and religious rules are two normative systems among many others the specific characteristics of the latter are at the heart of tensions that emerge with increasing frequency in many countries the second part is devoted to the analysis of about twenty national cases that provide an overview of the different tools and strategies that are employed to manage the relationship between state law and religious rules all over the world

the story of the consecrated life in canada since the 1960s should be about much more than numerical decline although the falling numbers are significant among catholic religious in communities that pre date vatican ii many communities continue to show stability and even growth this book provides nuance to that story by adding detailed portraits of movements communities and institutions in four parts this book presents essays from the leading scholars on religious life in canada that seek to address the state of religious communities dedicated to religious virtuosity normally characterized by formal promises of chastity poverty and obedience the essays examine a broad range of topics related to the general state of consecrated or religious or monastic life in contemporary canadian christian and buddhist traditions in the first section the contributors trace the demographics and definitions of religious life in canada the second section examines canadian developments in catholic religious life during the vatican ii and the post vatican ii eras a third section explores trends in contemporary canadian religious life while the fourth section describes the consecrated life in other canadian religious traditions

religion in rebellions revolutions and social movements demonstrates that while religion is often a social force that maintains if not legitimates the sociopolitical order it is also a decisive factor in economic social and political conflict the book explores how and under what conditions religion functions as a progressive and or reactionary force that compels people to challenge or protect social orders the authors focus on the role that religion has played in peasant slave and plebeian rebellions revolutions including the chinese english french russian and iranian and modern social movements in addition to these case studies the book also contains theoretical chapters that explore the relationship religious thought has with the politics of liberation and oppression it examines the institutional organizational ritualistic discursive ideological and or framing mechanisms that give religion its oppressive and liberating structures many scholars of religion continue very conventional modes of thinking ignoring how religion has been and continues to be both a hegemonic and counterhegemonic force in conflict this book looks at both sides of the equation this international and interdisciplinary volume will be of interest to students and scholars in the fields of politics of religion sociology of religion religious studies gender studies and history
